Ethospace® Color Choices

Ethospace® Color Choices

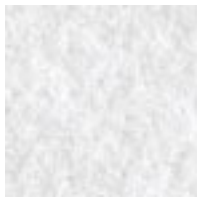

Ethospace, with its frame-and-tile adaptability, suits itself to all kinds of environments and tastes. A comprehensive selection of fabrics and finishes extends the system's versatility, its inherent ability to be exactly what people want it to be.

Whatever your preference, Ethospace offers a palette of choices sure to suit you.

These color samples represent the actual materials to be supplied and may not indicate an exact match.

For more information about our products and services or to see a list of dealers, please visit us at www.HermanMiller.com or call (800) 851 1196.
